

Fact	Benefit
<i>Luxurious Circular Knit Cashmere Fabric</i>	Mattress fabrics made from the precious soft wool of the cashmere goat ensures the ultimate in sleep comfort.
<i>Visco Elastic GEL Foam</i>	Visco Elastic Foam (Memory Foam) provides ultimate support and comfort as it is designed to take the shape of your body while always returning to its original shape. Gel treated for a cooler more luxurious sleep.
<i>Latex</i>	Latex Foam Provides the ultimate in comfort and support with its recovery properties.
<i>High Quality Comfort Layers</i>	Provides great comfort and support.
<i>High Quality Eco Friendly Insulation</i>	Protects the comfort layers from the springs for longer lasting comfort and support. Made from re-cycled material for a sustainable future
<i>Zoned Pocket Technology</i>	Zoned Pocket Spring Units are firmer in the middle which adds support to the centre third of the mattress where it is most needed for proper back support. The Pocket Springs provide luxurious body contouring with no roll-together and helps to eliminate motion disturbance.
<i>Active Support Technology</i>	the coils adjust instantly to you sleep movements, comforting and supporting your body actively.

<p><i>Heat Treated Guaranteed by Legget & Platt</i></p>	<p>Legget & Platt enhances the springs properties prior to the shaping process, creating the proper strength, ductility and performance to offer the best in comfort and reliability.</p>
<p><i>Fine Wire Technology</i></p>	<p>Through fine wire technology, Legget & Platt has successfully engineered low diameter wire. By taking advantage of fine wire unique qualities, the process achieves unprecedented comfort and support.</p>
<p>Mechanical Base</p>	<p>Our mechanical base offers the option to lift the torso part of the mattress as well as the leg part of the mattress independently. The mechanism also comes with a massage function with 3 intensity levels. There is also the option of programming 2 ideal positions which can be reached at the press of a button.</p>
