

## Full-cream Cows' Milk Cheeses

### KWAITO

- A type of Zulu music – a festival of taste.
- A creamy, sweet gouda-style cheese, plain, black pepper, carnival peppers, garden herbs or smoked.
- Can make additional flavours on request (4-week lead time).
- Vac pac slices 220g or waxed heads 330g
- Loaf weight approx 3.00kg

### KING CHRISTIAN

- A Danish style cheese, flavoured with caraway seeds.
- Vacuum packed wedges 220g
- Head weight approx 4kg

### PANTSULA

- A traditional township dance.
- A Trappist cheese made in the French tradition, similar in style to a St Paulin.
- A creamy, rich cheese. Piquant and a little salty.
- Vacuum packed slices 220g.
- Head weight approx 4kg.

### AMABUTHO

- The Zulu word for Warrior.
- A mature, tangy cheese, made to a German Tilsit recipe. Also available with Mustard seed and Red chilli.
- Vacuum packed slices 220g.
- Loaf weight approx 3.00kg.

### SMOKED CHEDDAR

- A country style cheddar cheese, with a gentle smoked flavour.
- Vacuum slices 220g.
- Head weight approx 5kg.

### KINATI

- A mature, nutty flavoured cheese, made to a Pecorino recipe, but is more creamy than traditional Pecorino.
- Vacuum slices 220g.
- Head weight approx 5kg.

### ISILO

- The Zulu word meaning Tiger.
- A cheese made to an American Country recipe, but with a stripe of Paprika and Cayenne pepper running through the middle.
- Vacuum slices 200g.
- Head weight approx 3.80kg.

### VINETTE

- A decadent, cream cheese, flavoured with garlic & herbs or sun-dried tomato & olives, wrapped in a vine leaf.
- 250g squares.
- 100g roll.
- PLEASE NOTE: This cheese is made only to order.

## Goats' Milk Cheeses

### NANDI

- A regal cheese – fit for a queen.
- A mature farm style goats' milk cheddar cheese, slightly dry and a little salty. Also available layered with sage or rooibos tea leaves.
- Prepacked vacuum slices approx 180g.
- Head weight approx 1.8kg.

### N'TABAMHLOPE

- Meaning White Mountain – named after the mountain outside Estcourt, KwaZulu-Natal.
- As the name implies, a smooth, creamy, white mountain cheese made in the gouda style.
- Prepacked vacuum slices approx 200g.
- Head weight approx 3.80kg.

**Goats' Milk Cheeses**

- It's the healthier alternative.
- SAGS certified, made with 100% goats' milk.

## CALABASH

- An African vine-fruit, which grows to form a large, round fruit which is hollowed out and dried, then used for storing traditional beer & milk.
- A country-style cheese, with a creamy, mild taste.
- Also available as a spiced cheese. (Cajun Spice, Black Pepper, Herbs, Garlic & Herb)
- Prepacked vacuum slices approx 220g.
- Loaf approx 3kg.

## GOATS' MILK FETA

- In the true Greek tradition, creamy and a little salty.
- Packaging 200g vacuum packed slices.
- 1.2kg loaf in vacuum bag.

## GOATS' MILK HALLOUMI

- Traditional Cypriot style Halloumi.
- Packaging – vacuum packed 180g.

## CAPRINI

- A soft, fresh goats' milk cheese, available in various spiced flavours, or plain, which is ideal for cooking.
- Packaging - 100g soft rolls sealed in a gas flushed vacuum bag
- Shelf life 6 weeks.

## Other Products

### UMCIMBI

- Our "Celebration" Cheese – first made to celebrate our 10th year of democracy.
